

Training

To foster specialists who can work to achieve coexistence among different civilizations, we offer the following training programs, mainly for graduate students. We also encourage the programs' students to make presentations, especially at international congresses.

Summer Programs (on-site educations)

Summer Training Program in Malaysia

Summer Training Program in Israel

Summer Training Program in Syria

Summer Training Program in the U.S.A.

Student Exchange Program

Students' Exchange Program for Promoting Mutual Understanding between Malaysia and Japan: Training for Exposure to Japanese Culture

Intensive Language Courses

Arabic, Hebrew, English
